Teamwork

💼 PROFESSIONAL EXPERIENCE

Full Stack Development Intern at MIS Infotech Dehradun

October 2023 – March 2024

Acquired hands-on experience with HTML, CSS, JavaScript, Bootstrap, Node.js, MongoDB, Mongoose and React.js.

Successfully completed various projects during the internship.

📁 PROJECTS

E-commerce Website

Tech Stack: HTML, CSS, JavaScript.

Built an e-commerce website using HTML, CSS, and JavaScript. Implemented features such as product listings, cart functionality, and checkout process using JavaScript. Designed responsive layouts for optimal viewing on various devices.

Dictionary application

Tech Stack: JavaScript, API, HTML, CSS

Created a dictionary application using HTML, CSS and JavaScript.

Implemented asynchronous JavaScript techniques to handle API requests and update website content dynamically.

Form Validation

Tech Stack: Nodejs, JavaScript, MongoDB, Bootstrap

Created a signup form using Node.js, MongoDB, HTML, CSS, and JavaScript.

Implemented frontend design with Bootstrap, backend logic with Node.js, and database management with MongoDB.

Ensured data integrity and user experience through form validation.

Improved registration process efficiency by 20%.

Overcome scalability challenges by optimizing database queries.
